**Applications**

Applications close 20 October 2006.

Application forms are available on the GSM website [www.gsm.uwa.edu.au](http://www.gsm.uwa.edu.au)

ANBS students (not currently enrolled at UWA) will be required to complete a Cross Institutional Enrolment Form in addition to the Summer Program Application. The Cross Institutional Application Form will need to be approved by your School or Program Director and also by the UWA GSM.

All applicants will be informed of the outcome of their application by 6 November 2006.

As there is only a limited number of places available at the Summer Program, places will be allocated according to the date that applications are received at the UWA GSM.
Units Offered
The number of Summer Program units offered will depend on the overall number of approved applicants and their choices made. In the event that a unit does not meet the minimum number of enrolments, students will be notified and an alternative unit offered.

A grade will be awarded for units undertaken at the GSM and credits are awarded by the individual’s home university based on the grade received and agreement between home University and student. The UWA GSM will release grades following the Board of Examiners meeting in late March 2007.

You will need to check with your School or MBA Program Director to confirm the level and type of credit to be granted for your degree and to approve the unit/s you are selecting.

Each MBA unit is structured to provide an attendance requirement of 36 hours. Students will also need to devote a considerable number of additional hours to class preparation, group meetings and assignments. All units studied will require active class participation and discussion, individual and group work and for some units there will be a final exam.

Unit outlines will be available on the GSM website late November 2006 and handed out in the first class.

Textbooks and course readers will be available from the Co-op bookshop in late November. Phone +61 8 6488 2069 or check with the GSM to ensure availability.

Morning Tea: please note that morning tea will be available each day of your enrolled unit at a cost of $25 per person.

For your computing needs, the Business School IT Helpdesk, located in the Social Sciences Building, can be contacted on 6488 7888. The GP3 computer lab will also be available to students who have applied for access.

Reid Library Hours will be 8-30am to 6-00pm, Monday to Friday.

Parking is available on campus in the student zones (yellow signs) for the Summer Program period.

Important Dates
Applications close: 30 October 2006
Exams: On or before 20 January 2007
Final assessments due: 16 February 2007
Payment of tuition fees due: December 2006.

Accommodation
Students will be required to arrange their own accommodation for the duration of the Summer Program.

There are several University Colleges in close proximity to the University and short term apartments/hotels in the surrounding area and CBD. Please note: You would be required to catch public transport or taxi if staying outside the campus vicinity.

Information for on-campus accommodation is available on the UWA website
